// Personal Statement of Salvation and Call to Ministry

I was raised by a troubled single-mother in an unwholesome household without any godly male role models. Thus, I learned many of life's most basic lessons the hard way while scrambling to piece together "manhood." The "manhood" I reflected at the age of thirty was a perverted image of homosexuality and drug addiction. By God's grace, I received Christ as my Savior in the summer of 2004 and was spiritually reborn into eternal life. God and the Word immediately began transforming my mind and convicting me of my warped image. I repented from my deviant lifestyle and transitioned into Christ-centered men's residential discipleship ministry. In March of 2005 I received a divine burden for men's ministry. Since that time, God has provided godly male role models and opportunities to serve men while pursuing university education in Christian ministry.

// Ministry Statement

The overarching goal of ministry is found in Matthew 28:19-20, which indicates God's desire that men live evangelistic lifestyles indicative of His presence, leadership, and loyalty to Him. Accordingly, effective ministry develops spiritually maturing men able to withstand, endure, and overcome temptations while also faithfully representing the embodiment of God's redemptive will for humanity. To this end, the gates of Hell are not able to stop the Church.

// Doctrinal Belief

I believe in God the Father, who, in His sovereignty, created and rules over all. I believe in Jesus the Son (dead, buried, resurrected and ascended), who came to offer to eternal life to those who repent, believe, and faithfully obey him. I believe in the active presence of the Holy Spirit, who effectively works in the lives of believers. I believe the Bible to be the infallible and inspired Word of God, sufficient for the needs of believers and the universal Church, including growth in holiness and righteousness unto the Lord.
